WORK EXPERIENCE

SOCIAL MEDIA SPECIALIST Sept – Oct 2026

CGI Creative Lab – Social Media & Creative Agency | Bali, Indonesia

- Planned 38 Instagram content pieces across feeds, reels, and stories for a two-month content calendar, including content pillars, topics, creative hooks, formats, and calls to action.
- Developed a team KPI tracking worksheet and coordinated with copywriters and graphic designers to align content briefs, creative execution, and social media performance objectives.
- Achieved an average Instagram Engagement Rate of 5.34%, reaching 474% of the 1.13% target, through strategic content planning and performance monitoring.

FOUNDER & OWNER July 2025 - Present

KUKISS.BAE | Brebes, Central Java

- Founded and developed an online homemade cookie business from the ground up, overseeing branding, social media, marketing, and daily operations.
- Planned and created Instagram content and promotional campaigns around seasonal moments, payday, double-date campaigns, and product bundling initiatives, achieving a 19% engagement rate.
- Managed pre-order operations, with orders typically starting from 50 soft cookies per order cycle, while developing promotional content that reached 88.3% non-followers.

SOCIAL MEDIA CONTENT CREATOR Dec 2025 – June 2026

Fortis Seneca Sdn. Bhd. | Malaysia

- Created and planned TikTok content including storyboards, scripts, copywriting, and creative briefs for Nalpamara Herbal Soap and Formula Oral Care. Produced 100+ TikTok content pieces across both brands.
- Conducted trend research and competitor analysis to develop audience-focused content and creative concepts based on TikTok trends, audience insights, and brand objectives. Achieved multiple videos with 15K+ organic views.
- Collaborated with designers and internal teams to execute promotional campaigns and maintain consistent brand messaging.

PROJECT EXPERIENCE

DIGITAL MARKETING HANDLING PROJECT | OMAH DASTER EVA June – July 2026

- Managed end-to-end social media campaign execution based on the brand's objectives and target audience.
- Developed content plans, campaign messaging, and Instagram social media execution aligned with the brand strategy.
- Monitored campaign performance and conducted weekly optimization based on Reach, Impressions, Engagement, and other relevant metrics.
- Generated 163,023 Instagram impressions (163% of KPI) and 624 total engagements (312% of KPI).
- Reached 18,930 accounts (94% of KPI) during the campaign period.

DIGITAL MARKETING STRATEGY PROJECT | SARENA PARFUM May – June 2026

- Conducted market, audience, and competitor research to identify digital marketing opportunities for the brand.
- Developed target audience profiles, content pillars, and campaign recommendations based on research findings.
- Created a social media strategy covering content direction, channel recommendations, and campaign planning.
- Produced strategy deliverables, including content calendar, customer persona, campaign recommendations, and strategy deck.
